IMPORTANT INFORMATION

Interest charge calculation methods and computation of average daily balance subject to interest charge. The Interest Charge Calculation Method applicable to your account for CASH Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified and explained below:

Explanation of Interest Charge for Cash Advance Plans and Retail/Purchase Plans

Cash Advance Plans – Average Daily Balance (including current transactions). The Interest Charge on cash advance begins from the date you obtained the cash advance, or the first day of the billing cycle in which it is posted to your account, whichever is later. There is no grace period.

Retail/Purchase Plans – Average Daily Balance (including current transactions). To avoid incurring an additional Interest Charge on the balance of purchases reflected on your monthly statement and on any new purchases appearing on your next monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The **Interest Charges** for a billing cycle are computed by dividing the Annual Percentage Rate (APR) by 12 and applying to the “average daily balance” of retail/purchase. To get the average daily balance, we take the beginning retail/purchase balance of your account each day, add any new purchases, and subtract any payments, credits, non-accruing fees, and unpaid interest charges. This gives us the average daily retail/purchase balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Payment Crediting and Credit Balance: Payments received at the location specified on the front of the statement after the phrase “MAKE CHECK PAYABLE TO” will be credited as of the date of receipt to the account specified on the payment coupon. Payments received at locations other than the address specified or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request, in writing, a full refund. Submit your request to the address indicated on the front of this statement after the phrase “SEND INQUIRY TO”.

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain its image in our records. If you have questions please call the customer service number on the front of the billing statement.

Closing Date: The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee: If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill, to the address found at the top of the first page of this bill under your financial institution's name. You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half, to this same address.

Negative Credit Reports: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

BILLING RIGHT SUMMARY

In Case of Errors or Inquiries About Your Bill. If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the address indicated on the front of this statement after the phrase “Send Inquiries To” as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number
- The dollar amount of the suspected error
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question we cannot report you as delinquent or take any action to collect the amount in question.

Special Rule For Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50.00 and the purchase was made in your state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the goods or services, all purchases are covered regardless of amount or location of purchase).

Report a Lost or Stolen Card Immediately: Please notify California Adventist Federal Credit Union immediately if your Card is lost or stolen. You may telephone Customer Service at 1-866-450-3515 or 1-571-325-3382 to report the loss, theft or possible unauthorized use of the Card. You may be liable for the unauthorized use that occurs after you notify California Adventist Federal Credit Union, verbally or in writing, of the loss, theft or possible unauthorized use of your Card.
